Call to Order – May 28, 2024, Franklin Township Board of Supervisors Meeting was called to order at 6:00 pm by Mark W. The meeting was held in person at 150 Century Lane, Dillsburg, PA. Visitors in attendance are listed on the meeting sign-in sheet.

Franklin Township Municipal Employee Handbook – The Township Employee Handbook with amendments was given to everyone and there is a copy in the meeting packet for future reference. The red line changes in the handbook will be cleaned up. The consensus was that the handbook was borrowed from somewhere else and not all of the criteria in it fit the Township needs, therefore, it needs the changes and amendments made for clarity. A new corrected version will be presented at a later BOS meeting for approval.

Additional Necessary Business – Housing reform that would preempt Township land use is being discussed by the state legislature. The BOS will send a letter to their local state representatives to vote against this measure. The letter will also be posted on the Township website indicating that the Township is not in favor of this reform . This will be revisited by the state legislature in June.

Public Comment – There was no public comment.

Adjournment – A motion was made by Mark W. at 7:26 p.m. to adjourn. Second by Duane A. There was no discussion. Motion carried.

Executive Session – Executive Session was held with no decisions being made.

Respectfully submitted,
